Hey Jaclyn –

Yeah I was going to ask him his thoughts at noon when we met today. I definitely wouldn't go without telling him! I just figured I'd spare him one more weekend email since the plan was flexible. Nice to meet you today.

Katie,

Just making sure that you shared your inspection plans with Dave Monro. I received an email that makes me think perhaps he doesn't know. If you haven't done so already, can you tell him when you see him? He might have some valuable input.

Thanks,
Jaclyn
